

Part-time EMT

We are looking for a trained emergency medical technician with an I.V. certification to be part of our team of healthcare professionals attending primarily out-of-hospital medical incidents. The job isn't simple but it is very rewarding. As an employee dealing mostly with emergencies you must be committed and focused. To be effective in the job, the ideal candidate must be very competent and knowledgeable as well as self-motivated and compassionate. The goal is simply to contribute the best you can to help people in need and save lives. We serve a rural area with a 40-minute transport to the closest Level IV trauma center, and 70 minutes to the nearest Level I and II trauma centers. Most of the shifts are 24-hours, but shorter shifts are sometimes an option. We are housed out of the Cripple Creek Fire Department and have excellent living quarters and equipment and have progressive guidelines.

Responsibilities

- Operate ambulance equipment and respond to radio transmissions
- Evaluate the patient's condition on the scene and perform a preliminary diagnosis
- Attend to injuries or sudden illnesses by applying a variety of pre-hospital simple and advanced treatments (first aid, CPR, administering injections and oxygen, etc.)
- Use tech equipment and tools to stabilize patients or provide immediate treatment
- Monitor patient's condition en route to the hospital
- Collaborate with interested parties (police, firefighting unit, doctors, etc.)
- Write and submit concrete and accurate reports on incidents
- Adhere to established medical guidelines and procedures as well as legal guidelines and health and safety standards
- Keep abreast with new treatment and medical procedures through continuous training

Skills

- Proven experience as an Emergency Medical Technician
- An I.V. certification is required
- Knowledge of medical procedures, terminology, and basic medications
- Ability to stay calm and make the right decisions in adverse conditions
- Adaptable with a great deal of stamina
- Excellent working knowledge of medical equipment and devices
- Integrity and compassion towards human pain
- Valid driver's license with an acceptable driving record
- Ability to get along well with people
- Colorado EMT certification is a must

Pay and Benefits

- \$12.40 per hour
- Benefits: Flexible schedule
Supplemental Pay: Signing bonus

COVID-19 precautions

We provide adequate PPE for performing your job safely.

- Personal protective equipment provided or required
- Temperature screenings
- Social distancing guidelines in place
